---

Hi Eileen,

Michelle is working for a few hours this morning before she is on leave. I'm going to review the monitoring data with her at 9am and she was hoping that we could give her feedback on this too.

Do you have a few mins before 9am to walk through this together? Thanks!

Hi Katie-

I was correct about the location of LTV. Not sure how long RMG has been operating. But here is my little writeup of the questions. Can you make sure it is accurate?

Thank you!

Michelle
